## Factory BBC I-beam Connecting Rods Specs

Hurricane Speed and Performance provide various desing rods in different kinds of motorsprot than other rod manufacturer in China. We are a perffessional connecting rods factory since 2000, GM BBC connecting rods are among our best-seller list, main export to America by trading companies, distributors and brands. We have both H beam and I beam connecting rods for Chevy SBC, LS and BBC V8 engines. All rods use material:4340 steel/40CrNiMoA, then machine with customer needs strictly. Final each set will be packaged with a balanced weight: +/- 1g. Now let's show you some process when we machine rods:

### 1.Machine Surface

**2. Mill rod Surface**

**3. Shot Peening**

4.Honed big end with bolt

By the way, besides I-beam, **GM 396/454/502 BBC 6.700 inch Connecting Rods** could be provided also.
