The 144X20 H beam rod is a massive improvement, provide from the factory directly. In 1.8T and FSI 2.0T engines, the 144X20 rod is coupled with custom pistons for a stout engine tested over 750HP+ , they are very suitable for high performance VW and Audi applications .

We offer a large selection of rods to match your engine. Like: [Audi / VW 1.9L TDI X-beam](#) , [VW ABA 2.0 8V ABF 16V H-beam rods](#) , [VW VR6 H-beam rods](#) ,[VW 5.600" Aircooled rods](#) , [VW Jetta/Golf 2.0L ABA I-beam rods](#) ,etc .

[144x20mm H-beam](#) with width 24.90mm

144x20mm I-beam with width 24.95mm

Hi Illan!

We received the rods today! They look awesome and just like the hurricanes we've seen before so thankyou.

We would like to order some more.

Also are you interested in some promotion that we may be able to offer on our youtube channel?

Thanks

Nick
