Ford SBC 5.090 Connecting Rods Description

Those Small Block Ford Connecting

Rods are all made from one piece 4340 steel forging, and we will cut cap after shot peened process to insure rods strength, You can find more useful information and production progress at our [official Youtube Page](#).

Durable and affordable 4340 steel H beam connecting rods for Ford SBC 302 5.0L engine are sized and finished in Hurricane factory. All rods have alignment sleeves to positively locate the rod cap, assuring big end bore size and eliminating cap walk. Rods are bushed for use with full floating pins. Sold in weight matched sets.

Hurricane also offer I beam design Ford 302 Connecting Rods 5.090" length, please check: [Ford Small Block 5.090" I-beam 4340 Forged Connecting Rods](#)
